## **Take It Apart and Build It**

**Instructor: Jamal Thorne**

**Monday - Friday**

**July 15 - 19**

**9am - 12pm**

**5 sessions**

**Open Studio: Mon - THurs, 1pm - 4pm**

**Location: Main Campus, 10 Meetinghouse Road, Truro**

Please bring with you to class:

- An abundance of collected/discarded objects
- Proper adhesives for the objects
- Strong support for the objects: supports can range from heavy paper and cardboard to plywood.
- Students should also come to class with tools for disassembling the objects.

For example, I will be in class with posters collected in Japan, watercolor paper for support, scissors, and Elmer's glue.
